

BALANCE

Balance Bar carries forward the Balance series' vision of enjoy yourselves in shared spaces, offering a multifunctional pantry solution that combines sustainable materials, thoughtful detailing, and smart storage. Its modular construction and customizable configurations easily adapt to a variety of workplace needs.

Features

- The 99.9% antibacterial surface is safe for direct contact with food.
- E0-grade eco-friendly materials for a healthier, cleaner workspace.
- Moisture-resistant design keeps cabinets, panels, and base boards safe from damp and humidity.
- Handle-free design and undermount sink enable effortless cleaning with no hidden dirt traps.
- The micro-scenic bar surface includes a built-in groove for greenery, storage, and multi-device charging.
- Island-style bar with dual-layered open shelves to maximize the counter space.
- Available in three bar styles and multiple cabinet combinations for efficient, organized storage.
