

## CHINESE-STYLE TEA TABLE

The Chinese-Style Tea Table responds to the rising significance of tea culture in modern business. More than a table, it is a platform for tea rituals and professional interaction alike. Its thoughtful design makes brewing and serving tea effortless and elegant, while embodying the spirit of Eastern hospitality to create warm, meaningful connections in every meeting.

## Features

- The tabletop is thoughtfully zoned to accommodate the kettle and teacups in a clean, orderly layout.
- The tea tray in Huangting jade stone is highly resistant to wear, scratches, and heat, ensuring long-lasting stability without warping or cracking.
- An optional tea tray in wujin stone offers a bolder, more rugged texture for different aesthetic preferences.
- The walnut-veneered surface showcases natural grain, while the solid-wood frame provides steady, durable support.
- A two-tone scheme adds dimensional contrast, enhancing both visual richness and overall presence.
- Pre-planned inlet and drainage points inside the table make water supply and discharge straightforward.
- A concealed cable port corresponds to the functional zones on the tabletop and keeps wiring organized.
- Power outlets on the side panel offer access from both inside and outside the cabinet, ensuring safe and convenient use.

Pre-set water inlet and drainage points for clean, convenient use

Dual-access outlets for easy power connection inside and out

Concealed E-shaped cable port for tidy, hidden routing
