M CABINET

Flexible Configuration, Organized Your Way

With an innovative modular structure,
it breaks spatial limits and adapts to your workflow.
Each unit is a functional storage module – flexibly configured
to suit your layout and evolving needs.
Designed for today's workspace,
ready for tomorrow's demands.

Various Fabrics, Hidden Neatly

A pure white cabinet paired with vivid orange shelves sparks creative contrast. Close the doors, and fabric swatches and tools vanish, restoring clarity to your workspace. In quiet order, every detail works to support focused inspiration.

Tailored for Teaware, Neatly Displayed and Stored

In the transparent cabinet, tea sets and scrolls await quiet appreciation. In the private compartments, garments and documents are stored with thoughtful order. A calm corner, where efficiency meets elegance.

Boundless Volumes, Universal Insight

Rich wood tones ground the space with professional depth, setting a confident, executive tone. Grey glass partitions bring a refined elegance, as curated books rest quietly within – revealing vision, taste, and order.

A Prelude in Light – The Modern Stage

Built-in radar sensor light strip, lights up upon human approach. Slide open the doors and find suits and bags perfectly arranged – every detail upholding a refined sense of workplace ritual.

Show What You Love, Store What You Value

Trendy collectibles and team achievements shine in the open display zones. Design drafts and archived documents stay neatly organized in the storage compartments. In every moment of use, it shows what you love and stores what you value.

Within Reach, Effortlessly Organized

Open shelves invite display; closed compartments keep the rest quietly contained. Every item sits where it belongs – visible, reachable, and composed. At 750 mm high, the surface meets the hand with ease, while pale wood tones warm the rhythm of work.

Flexible Access, Easy Storage

Sliding and tambour doors open in smooth rhythm, allowing quick access to meeting essentials. Generous compartments keep everything neatly in place, while the black-and-white palette brings quiet confidence to the workspace.

Designed at a 1200 mm height, this three-drawer cabinet doubles as a standing desk for quick meetings and spontaneous conversations. Ample storage keeps office supplies organized, maximizing space and fostering seamless teamwork.

Quietly by Your Side

Compact and quietly mobile, it fits neatly under the desk to keep essentials within easy reach. Lockable drawers safeguard personal items and documents, while smooth-rolling casters move in silence, supporting a workspace that feels secure, calm, and focused.

Partitioned Spaces, Relaxed Moments

The book cabinet subtly divides the workspace, combining partitioning with easy access to knowledge. Layered shelving with 60 mm panels keeps books and magazines neatly organized and within reach. The cabinet top surfaces accommodate plants, adding natural greenery to the office.

The meeting desk cabinet supports both impromptu discussions and practical storage, with a 5-outlet power box ensuring seamless connectivity.

Structured and Organized Filing

Cabinet doors are available in optional configurations, dividing the interior into five functional zones. Open shelves display awards and decorative items, while closed compartments keep office supplies orderly. With 360 mm shelf spacing, standard binders fit perfectly for vertical storage, enabling quick and efficient document access.

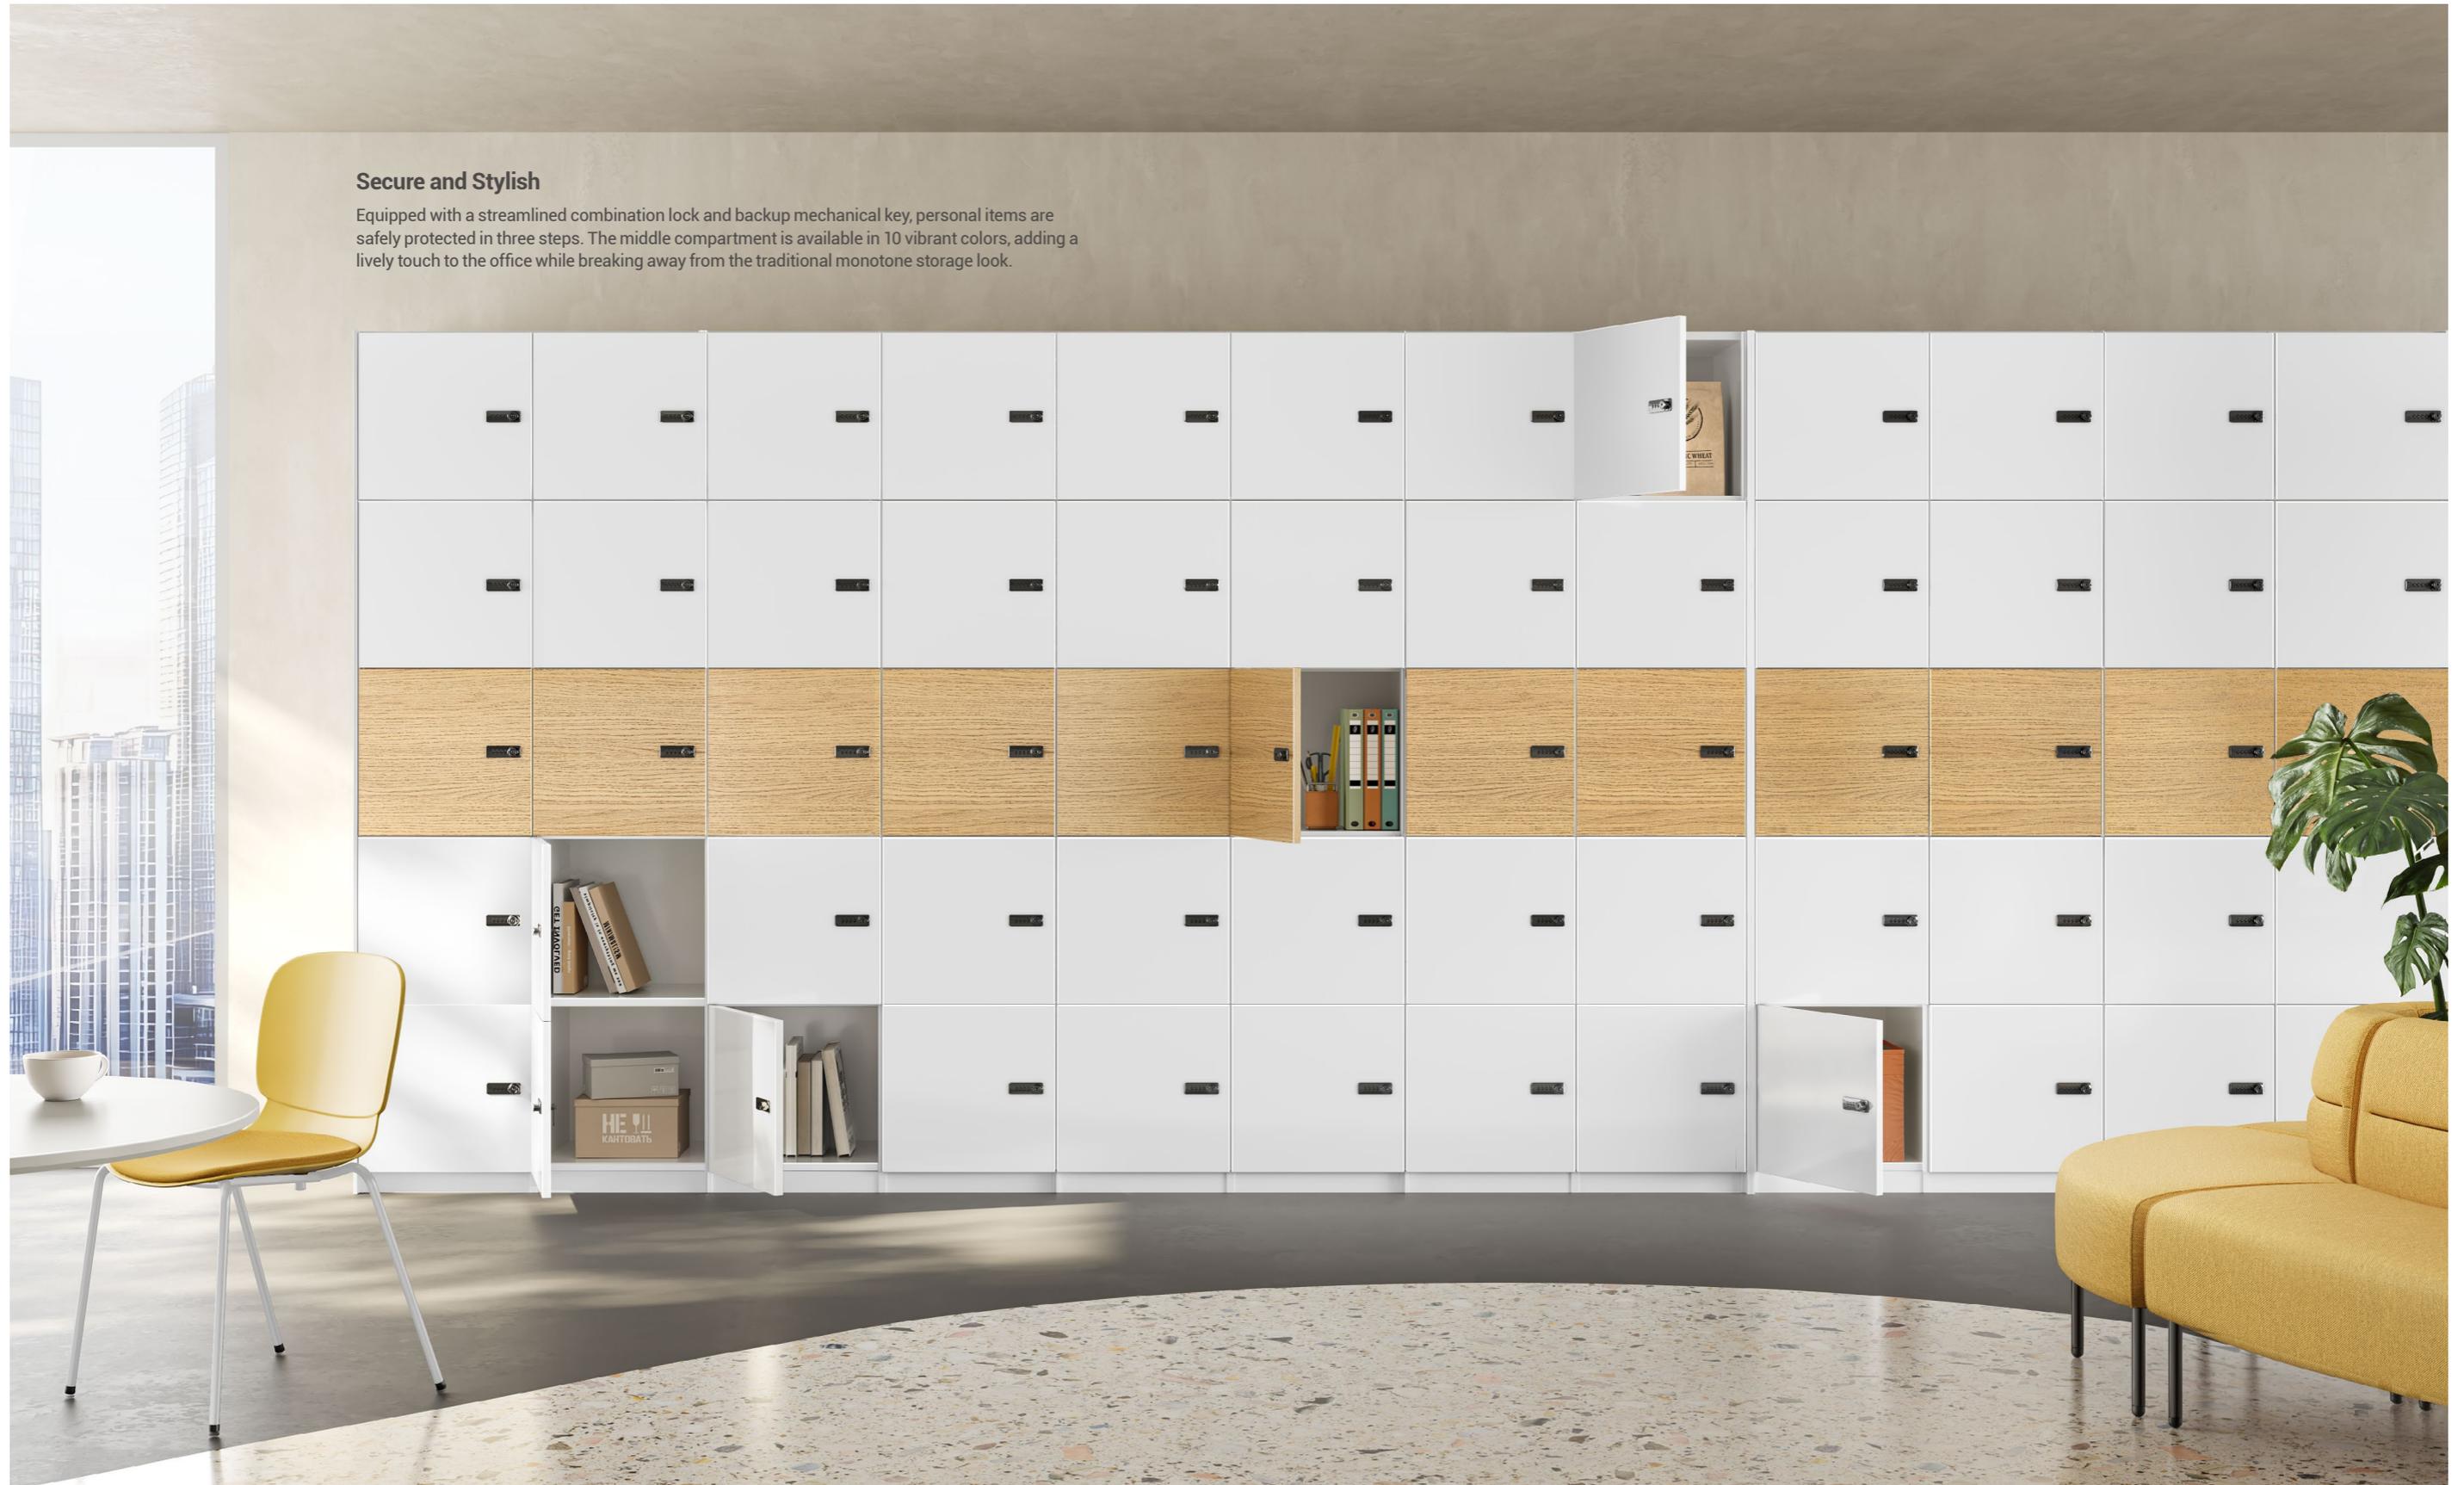

Adjustable Shelves, Inspired Flow

At 1668 mm high, this shelving unit features 16 compartments and 12 movable shelves, letting you tailor each space to your workflow. Grey glass doors balance display with practicality, keeping your materials and tools within easy reach while fostering a clean, creative environment.

Secure and Stylish

Equipped with a streamlined combination lock and backup mechanical key, personal items are safely protected in three steps. The middle compartment is available in 10 vibrant colors, adding a lively touch to the office while breaking away from the traditional monotone storage look.
