Headquarters & Experience Center - Sunon Technological Innovation Park

Add: No.1666 Zhixing Road, Xiaoshan District, Hangzhou, Zhejiang, China

S3

TAKE THE LEAD

Sleek, flowing curves inspired by aerospace design.
Unified form, poised for every moment.

Settle into S3 and expand your perspective.
Relax, focus, and decide with ease.
Move freely, connect with your space, and yourself.

EFFORTLESS MOTION,
COMPLETE EASE

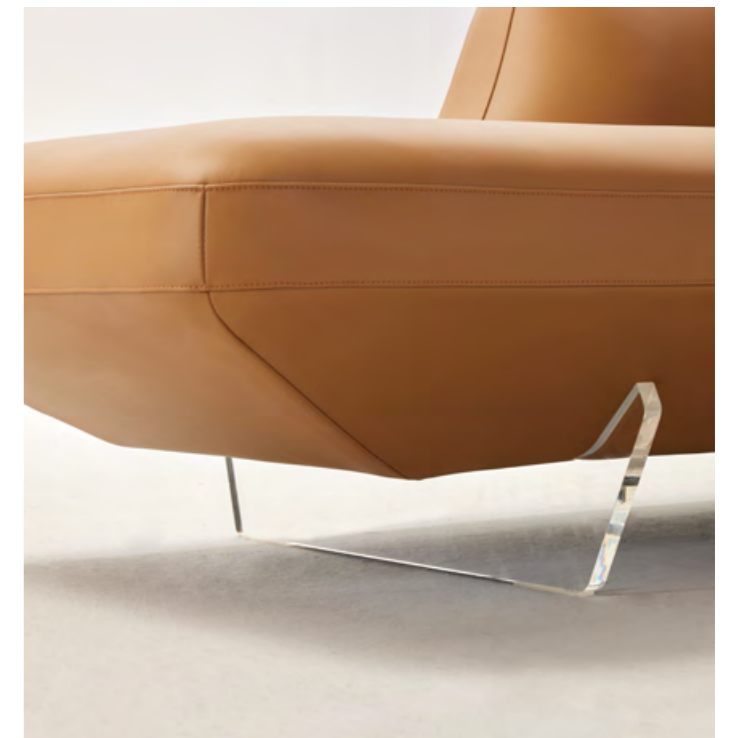

As aerospace-inspired, S3's wraparound form supports you fully, allowing you to enjoy a coffee as ideas unfold, hold composed conversations, and sink into moments of deep, unhurried relaxation.

FLOATING ABOVE, EMBRACING SPACE

The 20 mm acrylic base creates a sense of suspension, lifting the form with minimalist elegance. S3 completes 100,000 BIFMA seat durability cycles, maintaining timeless poise.

HARMONIZED LAYOUT, INVITING PRESENCE

Clusters of seats encourage conversation, while individual spots provide quiet moments for reflection. Every arrangement balances interaction and privacy, creating a space that feels effortless and welcoming.

UNWIND ALONE,
CONNECT TOGETHER

Generously proportioned, the individual seat allows one to stretch and read in quiet comfort. Paired with the floating coffee table, two can engage in effortless conversation, blending privacy with connection.

GENTLE IN FORM,
STRONG IN PESENCE

Soft white upholstery brings a calm, tactile warmth, while black wooden legs ground the form with quiet strength. In this balance, comfort feels instinctive and naturally at ease.
