CAROL

CAROL

Refined Simplicity, Confident Presence

Carol Premium Model features a seamless flowing silhouette with clean and elegant lines.

The S-shaped backrest follows the natural curve of the spine, providing ergonomic support for the lower back while easing shoulder pressure.

Designed with less excess and more purpose, it creates a quiet yet distinctive presence.

Designed to Move with Your Rhythm

STG three-position mechanism with up to 133° reclining angle adapts effortlessly between focused work and relaxed breaks. A simple lever pull unlocks smooth reclining, while the backrest follows your movement for balanced support and lasting comfort.

In the meeting space, berry red conference chairs add a refined touch of character — vibrant yet understated, composed yet never dull.

Essential Comfort, Lasting Support

Carol Lite Model combines a soft seating experience with reliable lumbar support, delivering comfort that lasts throughout the day. Sit comfortably, stay focused, and enjoy effortless support from morning to evening.

Fully wrapped in leather, the armrests invite a gentle, skin-friendly touch.

The dual-layer cushion combines a soft, contouring top with firm, supportive base.

In spaces designed for focus and creative flow, comfort is effortless.

A soft gray palette and lightweight arched legs bring a sense of ease and refinement to the meeting space, creating an inviting setting for effortless conversations.

Flexible Configurations, Endless Possibilities

With versatile configurations, Carol adapts effortlessly to diverse workplace settings. Inspired by the Möbius loop, the armrest features a fluid, continuous form that reflects a forward-looking balance between heritage and innovation.
