Tailored for Teaware, Neatly Displayed and Stored

In the transparent cabinet, tea sets and scrolls await quiet appreciation. In the private compartments, garments and documents are stored with thoughtful order. A calm corner, where efficiency meets elegance.

Boundless Volumes, Universal Insight

Rich wood tones ground the space with professional depth, setting a confident, executive tone. Grey glass partitions bring a refined elegance, as curated books rest quietly within – revealing vision, taste, and order.

A Prelude in Light – The Modern Stage

Built-in radar sensor light strip, lights up upon human approach. Light awakens as it flows along the vertical grain of the back panel. Slide open the doors and find suits and bags perfectly arranged – every detail upholding a refined sense of workplace ritual.

Various Fabrics, Hidden Neatly

A pure white cabinet paired with vivid orange shelves sparks creative contrast. Close the doors, and fabric swatches and tools vanish, restoring clarity to your workspace. In quiet order, every detail works to support focused inspiration.

Display Passion, Store Inspiration

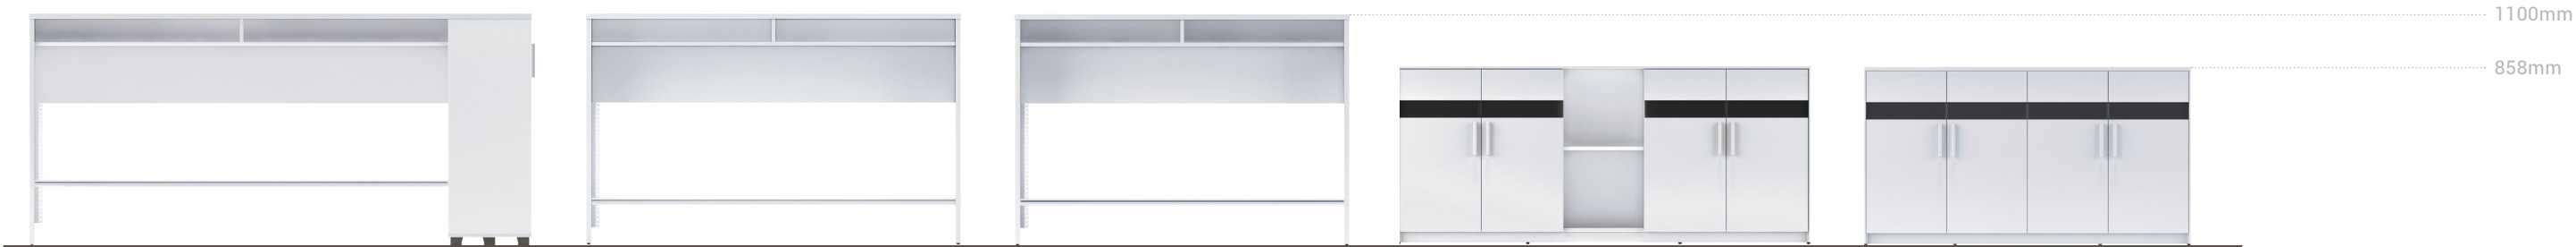

Open area displays curated collectibles, reflecting your team's unique spirit. Enclosed cabinets keep files organized, providing a foundation for limitless creativity. Balancing display and storage, this is where passion meets purpose.

Versatile Cabinet System, Organized Workspace

A variety of cabinet options support diverse storage needs – from documents and books to clothing and teatables. Freely mix and match to suit your layout, creating a workspace that's tidy, efficient, and entirely your own.

Well-organized, thoughtful like an assistant

1956mm

The file cabinets of 1956mm are suitable for the standard storey height, and designed with open-plan display shelves, the file cabinets are the perfect place for decorations and photo of the brilliant moment, unconsciously arousing certain memories. Whether it is to-be-approved file, conference material, or personal items, all items can be classified and well organized in our file cabinets. M Cabinet, your full-time assistant.

14 colors of upholstery, waiting to express your own style

1956mm

With fine colored upholstery, the cabinet endows the space with mildness and gentleness. Free color collocations liven up the whole space effortlessly, and the infinite extended cabinet collocations cater to various space needs. The large storage space allows it to be shared by staffs without breaking its neatness and order.

Open/private storage, making storage convenient and easy

The colorful cabinet doors perfectly separate open and private storage space. The open shelf allows visitors to help themselves without cautiousness, while the private storage ideally creates a neat and tidy environment for the office. The size of each shelf unit ideally fits 360mm standard folders, ensuring convenience in common areas.

A file cabinet? A closet! With a push-pull cloth rack, your office becomes your home. Make your work a better part of your life.

1956mm

The coded locks have simple mechanism, setting a password only needs three steps. Further equipped with a key in case of forgetting the password, it is your first choice for private storage. With free selection of 10 colors, the middle layer can be customized to lighten the space.

Large storage Smart cabinet

The open section has a height of 1668mm and is designed with 12 mobile plates creating 16 separate grids for your free storage arrangement. Stylish grey glass door blended with wood grain pattern, adding more aesthetics to the space.

1668mm

1668mm

Optional wood stain color adds a sense of warmth and mildness to your office. Placing files in common areas, an ordered environment can better trigger high efficiency.

Newspaper Cabinet

Read a book to relax yourself and get some inspiration from stressful work. The 1202mm newspaper cabinet with 60mm high panel creates convenience and enhances office learning environment for keeping abreast of the trend.

1202mm

Four sizes of tables for multiple occasions

The 1100mm/1202mm-tall cabinet is perfect for healthy sit-or-stand conversations. 400mm/800mm width let you fully make use of the space. Extend your tabletop and enjoy relaxing chatting time.

The 360mm-high double-sliding-door storage cabinet is divided evenly into 6 parts. Equipped with a GB standard three-plug socket outlet, it will ensure constant power supply for your negotiation.

Negotiation cabinet with a storage function, a win-win in working and storage

The concealed cable-routing system helps it to keep its all-time neatness and beauty.

Open the Door, for Greatness Lies in Capacity!
Open the cabinet door to be breezed by the cultural ambience.
Objects in the cabinet are well organized with the cover of misty glass presenting as hazy moonlight.

With a height of 858mm and open/enclosed cubic storage space, this file cabinet decorated with grey glasses can be used as a partition of office space without blocking communication between colleagues.

Imagine a workplace with all kinds of cabinets. Tea cabinet, file cabinet...Everything needed is ready.

People come and go in the tea room. A space for organizing and storage is thus urgently needed. The combination of drawers and cabinet surface and the irregular open cells make the organizing work much easier. The barriers around the cabinet top will always protect things on it from falling.

808mm

40mm height-adjustable tapered feet will guarantee the stability of the cabinet even when the ground is uneven.

The 750mm-high cabinet is of the same height as a standard office desk.

Organized space, wonderful day.
