

Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

○ Don't spray chemicals like pesticide on the surface.

○ Don't wipe the sofa with corrosive solution.

○ Avoid direct sunlight.

○ Use leather cleanser or white towel with a little alcohol to wipe out stains.

○ Use a wrung-out towel or household vacuum cleaner for daily maintenance.

○ Keep a distance of at least 50cm from hot items and maintain smooth ventilation.

○ Avoid jostling on the sofa or sitting on the sofa directly when sweating.

○ Don't stand on the sofa, which may cause fracture and hollow.

⚠警告
○ Don't disassemble the product on your own if there is any problem.

⚠注意
○ Please contact after-sales service if there is any issue not covered in the table below.

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable	Uneven ground	Cushion the bottom of sofa with some hard material
Accessories move inflexibly	Loose connection or lack lubricating oil	Tighten the screws and add some lubricating oil
Creaking sound	The sofa feet rubs with ground	Place leather cushion beneath sofa feet
Crumped surface	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.

Note:

① At least two people are required.

② Handle it with care and use a protection layer.

③ Contact Sunon if you have any confusions.

1. Install the sofa legs

Note: Assemble the sofa legs by using the 16-piece cam dowel and lock. The cam dowel and lock require a cross-drill bit on an electric drill for installation. Use a Phillips screwdriver to tighten the 3-in-1 eccentric wheels.

2.Assemble sofa

Note:

Use the 5# hex keys and 16 pieces of M6*90 hex socket head screws to install sofa legs onto the sofa.

Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable	Uneven ground	Cushion the bottom of sofa with some hard material
Accessories move inflexibly	Loose connection or lack lubricating oil	Tighten the screws and add some lubricating oil
Creaking sound	The sofa feet rubs with ground	Place leather cushion beneath sofa feet
Crumped surface	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.

Accessory list

a  hex socket head screws M6*90, 12 PCS	b  cam dowel and lock, 16 PCS	c  hex keys 5#, 1 PCS
d  sofa base connectors, 1 SET	e  hex rounded head screws M6*16, 8 PCS	f  hex keys 4#, 1 PCS

Notes:

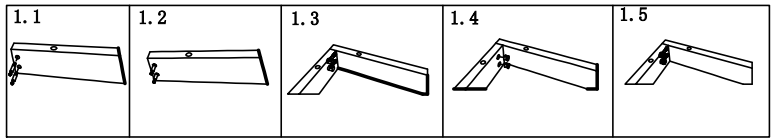

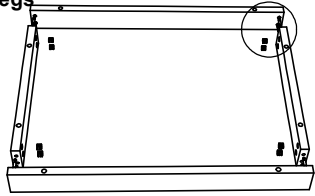

1.After unboxing the sofa, inspect it for abnormal signs. Use a protective mat for cushioning. Place the sofa legs for installation.

2.Place a protective mat when you lay down the sofa backrest. Tighten the sofa legs with screws. After installing the white legs nails, place the sofa as normal. Please ensure all sofa legs are level and stable.

3.Keep the sofa clean.

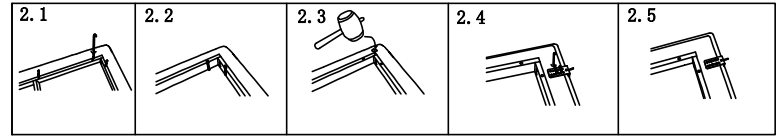

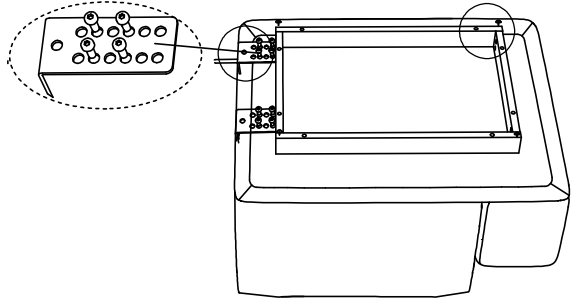

Sofa assembly steps

1. Install the sofa legs

Note: Assemble the sofa legs by using the 16-piece cam dowel and lock. The cam dowel and lock require a cross-drill bit on an electric drill for installation. Use a Phillips screwdriver to tighten the 3-in-1 eccentric wheels.

2.Assemble sofa

Note:

Use the 5# hex keys and 16 pieces of M6*90 hex socket head screws to install sofa legs onto the sofa. Use the 4# hex keys and 8 pieces of M6*16 hex rounded head screws to install sofa base connectors to the side without a sofa armrest. These connectors consist of male and female parts in a set. When assembling the sofa connectors, the male and female parts should be used together as needed and according to the actual situation.

Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

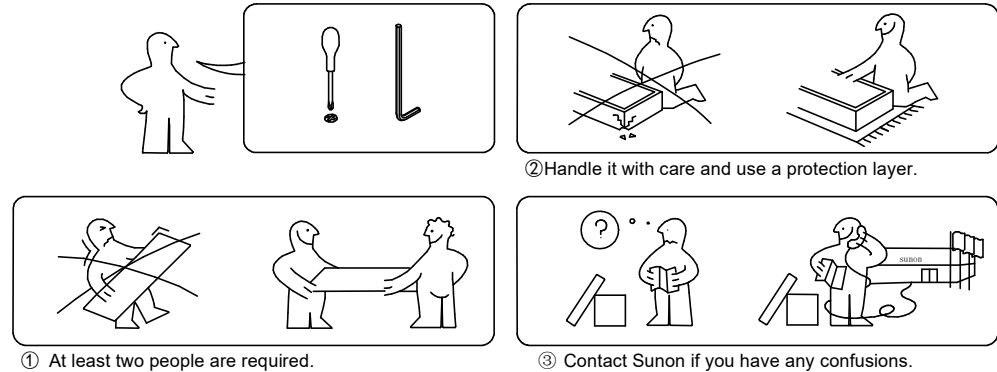

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable	Uneven ground	Cushion the bottom of sofa with some hard material
Accessories move inflexibly	Loose connection or lack lubricating oil	Tighten the screws and add some lubricating oil
Creaking sound	The sofa feet rubs with ground	Place leather cushion beneath sofa feet
Crumped surface	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.

Accessory list

a  hex socket head screws M6*90, 12 PCS	b  cam dowel and lock, 16 PCS	c  hex keys 5#, 1 PCS
d  sofa base connectors, 1 SET	e  hex rounded head screws M6*16, 8 PCS	f  hex keys 4#, 1 PCS

- Notes:
- 1.After unboxing the sofa, inspect it for abnormal signs. Use a protective mat for cushioning. Place the sofa legs for installation.
 - 2.Place a protective mat when you lay down the sofa backrest. Tighten the sofa legs with screws. After installing the white legs nails, place the sofa as normal. Please ensure all sofa legs are level and stable.
 - 3.Keep the sofa clean.

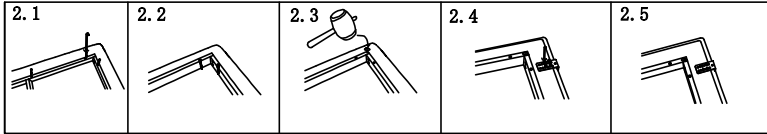

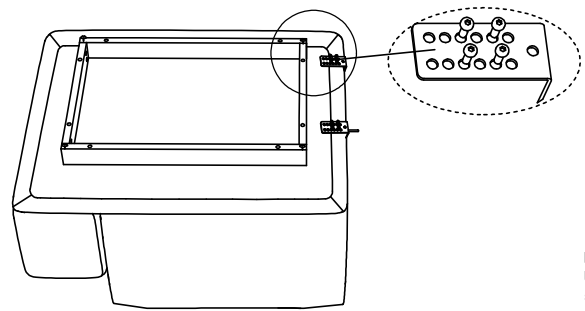

Sofa assembly steps

1. Install the sofa legs

Note: Assemble the sofa legs by using the 16-piece cam dowel and lock. The cam dowel and lock require a cross-drill bit on an electric drill for installation. Use a Phillips screwdriver to tighten the 3-in-1 eccentric wheels.

2.Assemble sofa

Note:
Use the 5# hex keys and 16 pieces of M6*90 hex socket head screws to install sofa legs onto the sofa. Use the 4# hex keys and 8 pieces of M6*16 hex rounded head screws to install sofa base connectors to the side without a sofa armrest. These connectors consist of male and female parts in a set. When assembling the sofa connectors, the male and female parts should be used together as needed and according to the actual situation.

Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

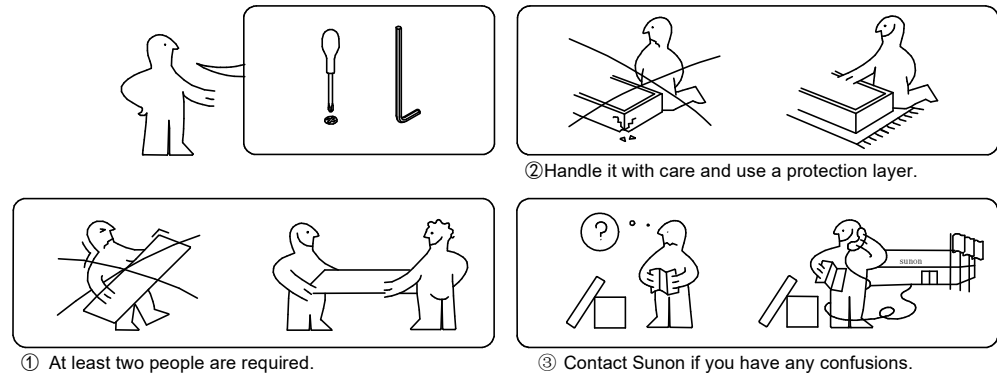

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable	Uneven ground	Cushion the bottom of sofa with some hard material
Accessories move inflexibly	Loose connection or lack lubricating oil	Tighten the screws and add some lubricating oil
Creaking sound	The sofa feet rubs with ground	Place leather cushion beneath sofa feet
Crumped surface	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.

Accessory list

a  hex socket head screws M6*90, 10 PCS	b  cam dowel and lock, 8 PCS	c  hex keys 5#, 1 PCS
d  sofa base connectors, 2 SET	e  hex rounded head screws M6*16, 8 PCS	f  hex keys 4#, 1 PCS

Notes:

1.After unboxing the sofa, inspect it for abnormal signs. Use a protective mat for cushioning. Place the sofa legs for installation.

2.Place a protective mat when you lay down the sofa backrest. Tighten the sofa legs with screws. After installing the white legs nails, place the sofa as normal. Please ensure all sofa legs are level and stable.

3.Keep the sofa clean.

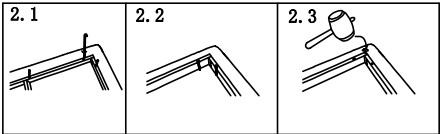

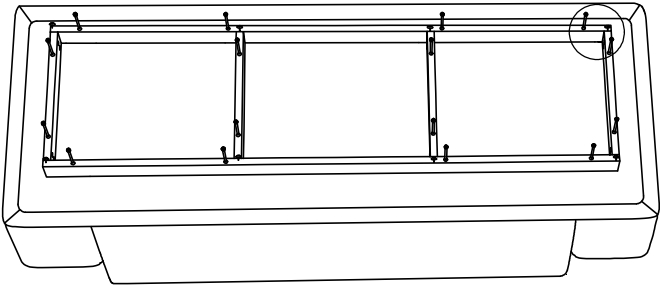

Sofa assembly steps

1. Install the sofa legs

Note: Assemble the sofa legs by using the 8-piece cam dowel and lock. The cam dowel and lock require a cross-drill bit on an electric drill for installation. Use a Phillips screwdriver to tighten the 3-in-1 eccentric wheels.

2.Assemble sofa

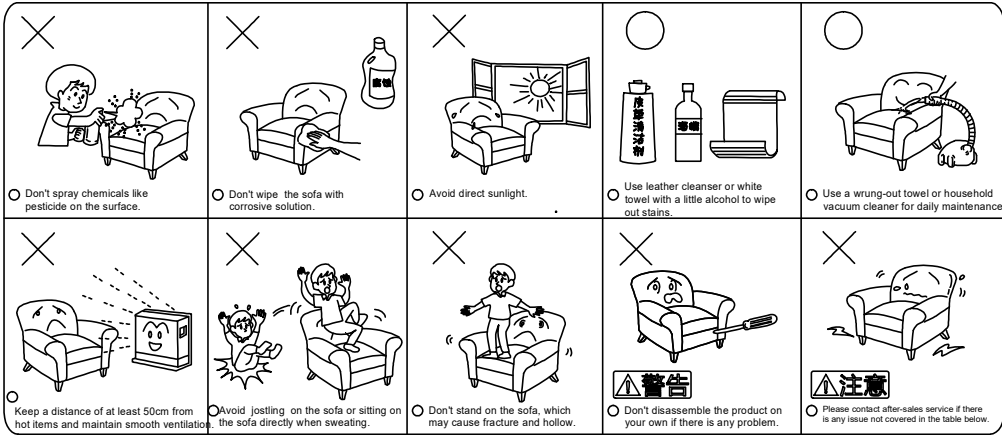

Note:

Use the 5# hex keys and 16 pieces of M6*90 hex socket head screws to install sofa legs onto the sofa. Use the 4# hex keys and 8 pieces of M6*16 hex rounded head screws to install sofa base connectors to the side without a sofa armrest. These connectors consist of male and female parts in a set. When assembling the sofa connectors, the male and female parts should be used together as needed and according to the actual situation.

Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

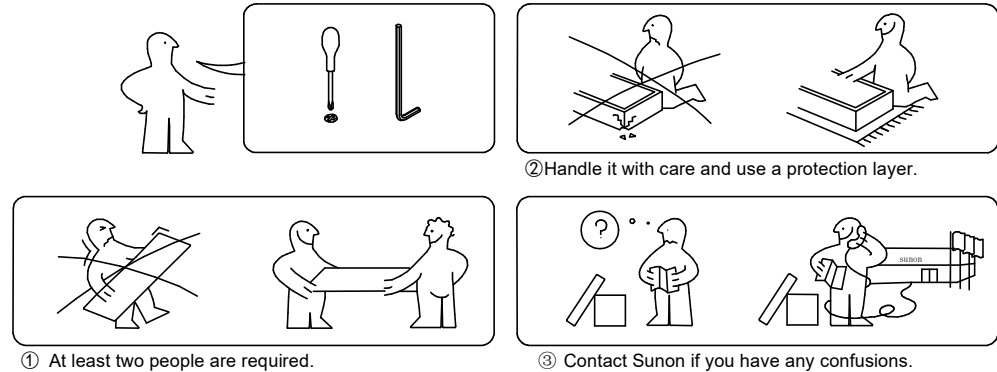

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable	Uneven ground	Cushion the bottom of sofa with some hard material
Accessories move inflexibly	Loose connection or lack lubricating oil	Tighten the screws and add some lubricating oil
Creaking sound	The sofa feet rubs with ground	Place leather cushion beneath sofa feet
Crumped surface	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.
